

## ***Invoice Requirements***

### ***Woven fabric of man-made fibers***

### ***in headings 5407, 5408, 5512, 5513, 5514, 5515, 5516***

(1) State the exact width of the fabric: \_\_\_\_\_

(2) Provide a detailed description of the merchandise, (trade name, if any): \_\_\_\_\_

(3) Indicate whether bleached, unbleached, dyed, of yarns of different colors and/or printed: \_\_\_\_\_

(4) If composed of more than one material, list percentage by weight in each: \_\_\_\_\_

(5) Identify the man-made fibers as artificial or synthetic, filament or staple, and state whether the yarns are high tenacity. Specify the number of turns per meter in each yarn: \_\_\_\_\_

(6) Specify yarn sizes in warp and filling: \_\_\_\_\_

(7) Specify how the fabric is woven (plain weave, twill, sateen, dobby, jacquard, swivel, lappet, etc.): \_\_\_\_\_

(8) Indicate the number of single threads per square centimeter in both warp and filling: \_\_\_\_\_

(9) Supply the weight per square meter in grams: \_\_\_\_\_

(10) Provide the average yarn number using this formula: \_\_\_\_\_

$$\frac{100 \times \text{number of single threads per square centimeter}}{\text{(number of grams per square meter)}}$$

(11) For spun yarns, specify whether combed or carded: \_\_\_\_\_

(12) For filament yarns, specify whether textured or not textured: \_\_\_\_\_
